

The background of the image is a photograph of a highly decorative stone archway. The arch is carved with intricate floral and scrollwork patterns. Inside the arch is a large, ornate wooden door with two panels and metal knockers. Above the door is a semi-circular window with a decorative iron grille. On either side of the arch, there are stone statues of figures. In the bottom right corner, a portion of a bicycle is visible.

Marcheweczka

jest równie mądra

jak piękna.

Czy odkryje sekret

siódmych drzwi

i uwolni swoje siostry

ze złej mocy króla?
